Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students who enter the program having already earned a Master's degree in psychology or a closely related field may submit syllabi from their previous coursework for review by CCP program faculty. Such students may be given credit for this coursework if it appears to be a suitable substitute for a required CCP course and if courses meet program course content criteria. Students who enter the program with a Bachelor's degree must complete all required graduate CCP courses.
