

THE OLYMPIC

Austal wants a system for its developers to input and track time spent working on various projects. Also desired is the ability to see burndown charts of the time spent working compared to the estimated time they should've spent working on the project.

PROJECT DEVELOPERS

Brandon Miller

Major: Information Technology

Focus Track: Web Publishing

In my spare time I enjoy watching sports, working out, and creating designs.

Derek Rhodes

Major: Information Systems

Concentration: Networking

In my free time, I like to listen to vinyl and challenge myself with difficult tasks in order to achieve a higher level of knowledge.

Ashley Robinson

Major: Information Technology

Focus Track: Web Publishing

In my free time I enjoy learning new programming languages and designing in Photoshop.

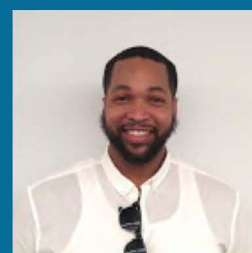

Sam Stanley

Major: Information Technology

Focus Track: Forensics

I enjoy playing guitar, listening to tons of music, and taking care of all my dogs and cats.

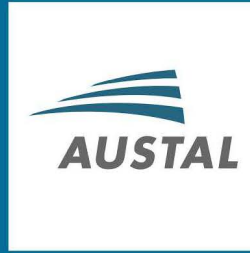

Mikael Thrash

Major: Information Systems

Focus Track: Full Stack Development

In my spare time I enjoy listening to music, working out, and creating new designs.
