Gross expense ratio includes all of an investment's expenses. Net expense ratio takes into account any investment fee waivers and expense reductions, giving an indication of what is currently being charged.

This material is for informational or educational purposes only and is not fiduciary investment advice, or a securities, investment strategy, or insurance product recommendation. This material does not consider an individual's own objectives or circumstances which should be the basis of any investment decision.

HealthEquity, Inc. does not provide financial advice. HealthEquity Advisors, LLC™, a wholly owned subsidiary of HealthEquity, Inc. and an SEC-registered investment adviser, does provide web-based investment advice to HSA holders that subscribe for its services (minimum thresholds and additional fees apply). HealthEquity Advisors, LLC™ also selects the mutual funds offered to HSA holders through the HealthEquity, Inc. platform. Registration does not imply endorsement by any state or agency and does not imply a level of skill, education, or training.

Investments are subject to risk, including the possible loss of the principal invested, and are not FDIC or NCUA insured, or guaranteed by HealthEquity, Inc. Investing through the HealthEquity investment platform is subject to the terms and conditions of the Health Savings Account Custodial Agreement and any applicable investment supplement.

Nothing in this communication is intended as legal, tax, financial or medical advice. Health savings account holders should always consult a professional when making life-changing decisions.

Health savings accounts (HSAs) are individual custodial accounts offered or administered by HealthEquity, Inc. TIAA and HealthEquity are not legally affiliated, and HSAs are not a plan established or maintained by TIAA or an employer. TIAA may receive a referral fee based upon the type and number of accounts opened at HealthEquity.

This material is not a recommendation to buy, sell, hold or roll over any asset, adopt an investment strategy, retain a specific investment manager, or use a particular type of health coverage or account type. It does not take into account the specific health status, investment objectives, tax and financial condition, or particular needs of any specific person. Nothing in this communication is intended as legal, tax, financial or medical advice. Health savings account holders should always consult a professional when making life-changing decisions.
